

FORBIDDEN FRUITS

Highly scented fragrances specially blended with fruity notes and rich, sensual undertones

Developed in conjunction with the top fragrance houses from around the world, each candle fragrance features top, middle and bottom notes

Available in reusable, elegant, damask-patterned glass jar or porcelain holder with mirrored lid

Our innovative candle designs provide the best burn (with a lead-free cotton wick) while delivering custom-blended fragrance

Jar candle packaged in black box tied with a ribbon corresponding to the fragrance colour
