### JAPANESE INCENSE

---

- Made especially for PartyLite by Nippon Kodo, the Japanese maker of premium incense for over 400 years.
- 40 incense sticks, plus one porcelain holder, \$25 per box. Each stick lasts approximately 25 minutes.
- Nippon Kodo's incense-making tradition can be traced back to a skilled artisan known as Koju who provided precious aromas to the Emperor of Japan and his Court.
- Many of the high-quality incense fragrances Nippon Kodo produces are based on original formulas created by Koju and later by Yujiro Kito, a 19th century "genius of fragrance."
- According to Nippon Kodo chairman Masahisa Konaka, "incense has the power to calm the mind and make life more enjoyable by creating a feeling of repose and tranquility, both physically and spiritually, and also to perfume the environment in which we live."

### SCENTED OILS

---

- Made with natural essential oils
- \$11 per bottle (.33 fl. oz./10 mL)
- For use with glazed stoneware Gaia Fragrance Warmer in Ivory (also comes in Green, Purple and Blue), \$30
