

Multiple POINTS OF LIGHT

Light up your night with the power of candlelight at your next get-together. Dazzle your guests with multiple points of light displayed in our beautiful selection of home décor pieces with our favourite ideas for creating a welcoming glow.

1

Welcome your Guests before they even walk in the door with your Signature Scent adorning the entrance.

2

Create a centrepiece focus by using multiple sets of the Metallic Hexagon Tealight Trio, which can be arranged in endless combinations. The metallic glow and multiple points of light dotted across your entertaining table is just stunning at night.

3

Make sure your candles are lit up inside too, so every time party guests pop in the scent and candlelight invites them to take a closer look.

4

When it's time to bring the party indoors, make sure there's more to be found around every corner. Tell a visual story with various combinations and let your candles light up your prized possessions. The flickering candlelight from multiple candles at different heights make an opulent display your guests will admire.
