

PARTYLITE®

Step-by-Step Instructions - Express It! Inserts

- Center the glass votive cup on the metal base and place an unlit votive or tealight in the glass cup.
- Place the smaller diameter glass cylinder securely on the grooved metal base. Spacing between the outside glass cylinder and inside glass cylinder should be equal.
- Now you are ready to insert your decorative elements between the glass cylinders.
- Finally, replace the top metal ring.
- Use a long match or candle lighter to light the candle. Then, sit back and enjoy.
